GREED OF IMPERIALISM – We will sink the claws of workforce into maws of imperialist. We will crush an upraising of the independence vice minds and greed. Will be wipe off disgusting taste of your freedom and that what`s you name love. Let`s go to leave the wonderful future only for bright tomorrows. Please follow us in the colored sunset quickly the system cut our heads. But only we are our own main system we give and take a tasks. Can not digress from the some subject to watch at empty ejects. Please follow us in the colored sunset. I'm the one of those who are working the man who does not think. I'm the one of all and of the nation something like worthless opinion. I want to change a way of our lives to change our stupid minds. You can not stop us now. We are not so small. I HATE – Don't rape me and my fuckin' soul. You hate me cause I'm little cold. Please say me where is silence place. The silence of age is in my fuckin' face. So long long very long long time. I'll be strong but I know I'll be jailed, It's wrong I know it's fuckin' way. The way of nation, anger fuckin' way. I want, want to fly away. Without scream, lying, without pray. I rape, I hate this fuckin' way. My social status my friends go away. Please say me where is other world. Without burden on my shoulders. It's wrong I know it's fuckin' way. The way of nation, anger, pain. Don't rape me and my fuckin' soul. REALLY GOOD – You Really Good So Good. Fucker. You Really Good So Good. Slacker. You Really Good So Good. Dreamer. You gonna be good and I'll be fucker. Do you want to be the fire, fire from the hell. Do you want to be the liar, bigger more than voice of bell. Do you want to be the fire, the bad bullet of arm. Do you want to be the liar, use the words like guns. Do you want to be the fire, rather hot and attractive. Do you want to be the liar, without fucking perspective. Do you want to be the fire, fire from the hell. Do you want to be the liar, bigger more than voice of bell. Do you want to be the fire, the bad bullet of arm. Do you want to be the liar, use the words like guns. Do you want to be the fire, harmful public enemy. Do you want to be the liar, don't do it to me. No honesty, no modesty, but full of desire. SUGAR AND TEA – Mornin' by mornin' it's always the same. Water is boilin' Sugar, tea it's our game. He always wakes up next to his wife. He always wakes up in the same life. His dreams are like old record, if he died no one would care. He doesn't understand this world, which is not always fair. Evenin' by evenin' like every day. In front of the screen they cry and pray. No sex anymore they love through the phone. Maybe like never before. Simply human soul's gone. I don't wanna be like you. The part of the machine. I don't wanna be like you, don't break every dream. THE HUMAN OF A NEW KIND – Loneliness ..... desperate soul ..... Dirty pillow under my head ..... Seems it's my fate ..... Have you found the way? The way we are all looking for? Body is poor, but the soul must never be involved ..... Swallow the pain ..... Roam in yourself ....., you might be surprised ..... Empty bottles on the ground ..... books in the shelves ..... Don't forget to breath ..... It's all you got left ..... Handless pianist ..... legless runner ..... There is always something missing ..... you know it well. Deep in the ground there might be truth ..... Falling down is fine where there is no ground ..... We are just freaks looking for the best ..... If we find it guess what's going to happen next ..... I will be ..... the human of a new kind.vity.
